

## Logging in to your membership profile on our website

Logging in is easy, all you need is your email address and your password. If you don't have a password or have forgotten, you can reset this by requesting a reset link on the sign in page. Our web address is [www.ambprov.org.au](http://www.ambprov.org.au)

On the front landing page, click the red member sign in on the top right of the page

This will take you to the member sign in page where you sign in with your email and password

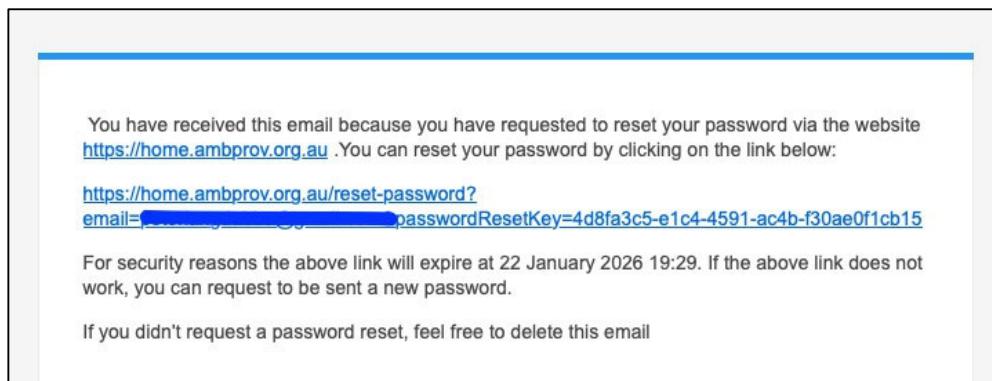

If you have forgotten or have never signed in before, click the blue [Forgot Password?](#) link found just below the password box.

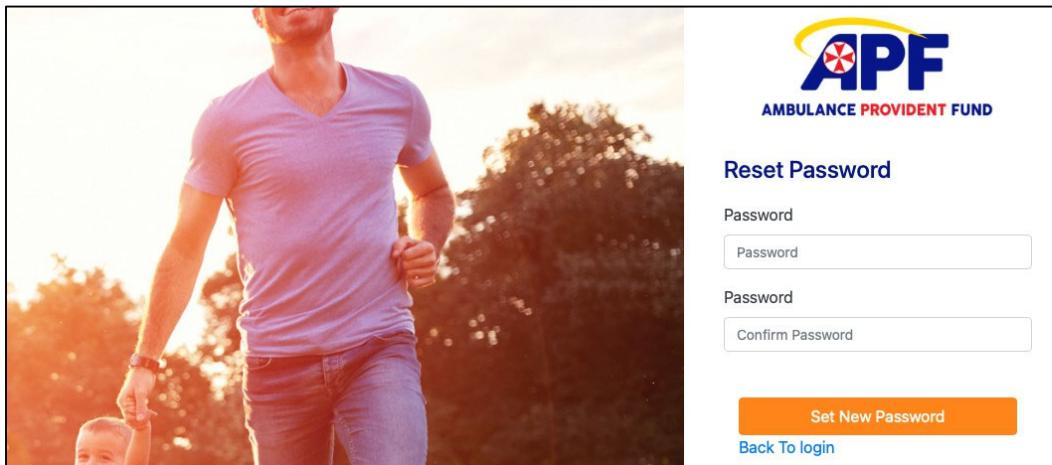

This will open the Forgot Password page, where you enter your registered email address (the one we send you emails on – it must match your account).

Once you reset your email you will receive an email to your email address with link to take you to a reset password page.

Click on the link to take you to the password reset page where you can select a strong password for your future log in access to your account.

You can pay your membership using our pinpay secure encrypted payment gateway from within your membership profile using the tabs on top of your details.

If you do not receive an email reset link in 10 minutes, check your spam folder, and if still no luck, you should check you have the correct email address (maybe you have used the wrong one), and if still unable to resolve contact us for assistance [membership@ambprov.org.au](mailto:membership@ambprov.org.au)
